(2) QUEENSLAND CATHOLIC EDUCATION EMPLOYING AUTHORITIES

(A) Appointment Process.

A Validation Panel will be established at the school level.

The Validation Panel shall consist of:

- (i) The Principal or nominee;
- (ii) A Member elected by staff;
- (iii) A member selected by the Employing Authority from a pool of persons approved by both the Employing Authority and the Union.

The role of the Validation Panel is to evaluate, in accordance with the Guidelines for Validation Panels as agreed between the parties, the supporting evidence produced by an applicant for an AST1 and to make a recommendation based on that evidence to the Employing Authority.

Agreed guidelines exist for both Panel members and applicants. A copy of these guidelines will be provided by the Employing Authority on request.

Appropriate in-service training shall be provided to both Panel members and applicants as required.

Where the Validation Panel recommendation is to not appoint an applicant to an AST1 the applicant is to be advised in writing of the recommendation and those selection criteria not satisfied by the application.

(B) Selection Criteria

A Teacher applying for an AST1 classification shall, to the satisfaction of the Validation Panel, demonstrate advanced skills in all 5 of the general criteria, and specifically the performance indicators detailed for each criteria, as listed in clause (C).

An applicant shall be considered to have substantially satisfied the general criteria when evidence is produced relating to the specified performance indicators. The panel must be satisfied that the overall level of attainment in respect of each group of performance indicators, taken together as a whole, satisfies the standard and purpose of the general criteria consistent with the definition of AST contained in this Award.

Failure to address all specified performance indicators will not of itself prevent an applicant from satisfying the general criteria and being recommended for the AST1 level. Factors such as:

- (i) Lack of opportunity to fulfil certain performance indicators;
- (ii) Evidence of achievement outside of the performance indicators, but within the parameters of the general criteria; or
- (iii) Other relevant factors

may be taken into account by panels when evaluating applications.

The measure of attainment for AST1 is 'exemplary'. Therefore the applicant's performance in relation to the criteria/indicators will be a model for other Teachers, will set a high standard and will place the applicant within the upper ranks of the profession.

The criteria shall be understood within the framework of the values and ethos of the school/system and shall be evidenced by meeting the performance indicators through substantial and sustained performance.

As at 5 March 1996, the general selection criteria apply to the AST1 level. In relation to determination of AST2 and AST3 the same general selection criteria shall apply and further general selection criteria and/or specific performance indicators shall be negotiated by the parties and submitted to the Commission for inclusion in this schedule.

(C) Criteria and performance Indicators.

The general selection criteria and specific performance indicators are listed below.

(D) Appraisal Process

Exemplary performance is an integral part of the AST programme and the formative appraisal process supports this. During the period of tenure as an AST1, the Teacher will be subject to a formative appraisal process as outlined in clause 2 (D) of Schedule 2.

It is the goal of the parties that the process be conducted annually. As a minimum, however, such a process will be undertaken at least twice in the 5 year period of tenure.

The appraisal process is formative in nature and as such its main purpose is to provide supportive and developmental feed back to the individual. Self appraisal underpins this formative appraisal with validation by a person appointed by the school.

The following principles govern the formative appraisal process:

- (i) Consultation,
- (ii) Self review,
- (iii) Validation,
- (iv) A written document,
- (v) Focus on performance based on AST criteria,
- (vi) Shared responsibility.

Based on the above principles, the process for the appraisal shall be as follows:

- (i) Consultation shall take place between the AST and the Principal (or nominee) to ensure that both parties understand what is required.
- (ii) The AST shall provide a written self appraisal, based on the Selection Criteria identified at clause (C).
- (iii) The AST and the Principal (or nominee) shall develop an agreed process for the validation of the self appraisal.
- (iv) The Principal (or nominee) validates the appraisal.
- (v) Commendations and recommendations may be produced as part of the appraisal process.
- (vi) Any documentation produced as part of the appraisal process is the property of the AST and is to be retained by the AST.
- (vii) Any such documents may be used, at the sole discretion of the AST, in any application or reappointment process.

(E) Grievance Procedures

Where the validation Panel recommendation is not to appoint, then the applicant may appeal to an AST Review Panel.

The AST Review Panel shall consist of 4 members drawn from the pool identified in item (iii) of clause (A).

If the AST Review Panel endorses the original recommendation of the Validation Panel, no further administrative appeal is allowed.

If the AST Review Panel recommends appointment to an AST1, then this recommendation shall be substituted for the original recommendation to the Employing Authority.

Where an Employing Authority rejects a recommendation to appoint an AST1, the applicant must be advised in writing.

Any grievance arising from the rejection of a recommendation by the Employing Authority may be notified as a dispute in accordance with the Act.

S6.14 Allocation of allowance and release points

- (a) The School Consultative Committee in Secondary schools will make recommendations about release time within the available points allocated for the school and appropriate for the structure they have suggested. The Principal, following consultation with the SCC, shall determine the release time to be allocated to each PAR position.

S6.14.2 Academic co-ordinators

- (a) In establishing the appropriate Academic PAR structure, the School Consultative Committee shall take account of the following:
- (i) all academic subject areas within a school shall be supervised either by an academic co-ordinator or a member of the Senior Administration Team;
 - (ii) there shall be 4 levels of allowance;
 - (iii) the co-ordinator of a subject area or group of subject areas shall receive an allowance in addition to the salary payable under the Award and a minimum release time according to the total number of teaching hours per average 5 day cycle as set out in the following table.

Level	Allowance	Minimum Release	The number of hours a subject is taught in the school
4	4 points	4 points	75 or more hours per average 5 day cycle
3	3 points	3 points	50-74 hours per average 5 day cycle
2	2 points	2 points	25-49 hours per average 5 day cycle
1	1 point	1 point	1 teacher with sole responsibility for a subject area

- (b) In determining if additional release time from the quantum available is necessary, the following factors will be considered:
- the number of teachers needing to be co-ordinated
 - the number of subjects involved in any area of academic responsibility
 - the curriculum structure of the school e.g. KLAs, Middle School and Senior School, unitised / vertical curriculum
 - the number of students studying subject / KLA
 - the structure of the school e.g. multiple campuses or 8-10, 11-12, 8-12 arrangements

- (c) A 10% flexibility level is permissible in allocating points to release time per position.

For example:

A level 4 Co-ordinator has the following allocation:

Salary points = 4. Release points = 4.

10 per cent of 4 release points = 0.4 points.

If, for example, one point of release time is equivalent to 48 minutes of face to face teaching then
0.4 release points = (0.4 x 48 minutes) = 19.2 minutes.

In this example, the range for a 4 point release is (4 x 48 minutes) \pm 19.2 minutes.

This will permit a Level 4 Co-ordinator release time of:

- either 4 x 50 minute periods
- or 4 x 45 minute periods
- or 5 x 40 minute periods.

S6.14.3 *Pastoral co-ordinators*

- (c) In determining the appropriate allowances and release time to be recommended for Pastoral Coordinators, the School Consultative Committee shall take account of the following factors.
- the pastoral care structure of the school e.g. vertical or Year level
 - the number of students and teachers involved in the pastoral care structure
 - the number of Year levels involved if structure is based on Year levels
 - particular pastoral care needs peculiar to the school
 - responsibility for outside school activities each of which is of more than 4 days' duration e.g. camps
 - other relevant factors.

S6.14.4 *Other positions in response to emerging needs*

- (a) The appropriate designations, allowance and release time to be allocated, is determined by the principal following consultation with the School Consultative Committee.

- (b) In determining the appropriate allowances and release time to be recommended for these positions, the School Consultative Committee shall take account of the following factors:
- impact of school initiatives e.g. VET, technology, "health promoting school"
 - the numbers of students and teachers involved in the program / activity
 - the level of overall resourcing in a particular area e.g. technical support.
 - other relevant factors
- (c) The occupants of these positions shall be responsible for activities which may include, but are not limited to, careers advice or sports co-ordination.
- (d) The term of appointment to these positions may be varied according to need and be less than that provided in clause S6.6 Such variation would be by consultation with the incumbent, the School Consultative Committee and the Principal/employing authority.

S6.15 Par points allocation in p-10 & p-12 schools

S6.15.1 Allocation of points to positions across primary and secondary enrolments

The Principal is responsible for determining the appropriate PAR structure for the school. The School Consultative Committee shall propose to the Principal possible models of Positions of Added Responsibility appropriate for the particular school after consultation with the whole teaching staff.

In determining these models and recommending the appropriate allowances and release time, the SCC shall take into account factors such as:

- the distribution of positions that would occur if the primary and secondary components of the school were separate (as detailed in clauses S6.14, S19 and S20)
- the curriculum organisation of the school as a whole
- special curriculum initiatives that impact across the school
- the pastoral care structure of the total school
