

3 DAY RESTORATIVE PRACTICES TRAINING

with Marg Thorsborne

29 | 30 | 31 July 2024

This intensive training will be facilitated by Marg Thorsborne, a well-respected, and internationally recognised, pioneer, facilitator, and trainer in the field of Restorative Practices in schools. The 3 days will provide in-depth training for delegates to learn how to facilitate formal restorative conferences. Delegates will learn “hands-on” skills for formal conferencing, and also gain significant insights that will guide the mentoring and implementation of RP into school culture. This training has been highly valued by LEQ to date and this 3 day PD provides a further opportunity to upskill new leaders and additional staff to support them in their restorative approach to pastoral care for students.

Only 30 places available for this workshop.

Location: Lutheran Education Queensland Office - Milton

Level 2, 24 McDougall Street

Milton QLD
